## Dominica II Adventus | I class

**Celebrant:** Fr. St. Fort

**Mass Intentions for the Solemnity of the Immaculate Conception (Dec 8):** † Maria Silva by Rock and Ivette LaManna; Felicia LoFranco, intentions by her family

**Mass Intentions this week:** Crisis in the church by Suzanne Falcone

Numerous allusions appear in the Liturgy of this day to Jerusalem and her people. Let us be filled with the sentiments of hope and of joy, for the coming of Jesus is near. Let us prepare the way in our hearts for the Messiah, our Lord and Redeemer Jesus Christ.

Join us every Sunday and Holy Days for the Traditional Latin Mass.

Please add your name to our email list. Send a request to [bucinae@pblatinmass.com](mailto:bucinae@pblatinmass.com) or signup on our website.

*The Traditional Latin Mass is currently celebrated in the Diocese of Palm Beach on Sundays at 12:30pm at St. John of the Cross in Vero Beach and 2:00pm at Holy Spirit in Lantana.*

### The Latin Mass Community Needs You!

As our community grows, the need for volunteers to help things run smoothly grows as well. Drop us a note at [bucinae@pblatinmass.com](mailto:bucinae@pblatinmass.com). No matter how much or little time you have, your help will be appreciated.

**The Tilma.  
Still mind-blowing.**

If we believe in a God who created the universe from nothing and guides it according to His will, even through nature's law of which He is the author, then it is not hard to grasp that such a God might from time to time more overtly display His Lordship over the universe and perform wonders, miracles, for the sake of making some point for our edification.

And so we come to a [CNA](#) story about the tilma of Our Lady of Guadalupe.

This goes into the Just Too Cool folder, sometimes know as Our God Is A Mighty God folder.

My **emphases** and **comments**.

Our Lady of Guadalupe 'completely beyond' scientific explanation, says researcher

Phoenix, Ariz., Aug 7, 2009 / 04:10 pm (CNA).- Researcher and physicist Dr. Aldofo Orozco told participants at the International Marian Congress on Our Lady of Guadalupe that there is **no scientific explanation for the 478 years of high quality-preservation of the Tilma or for the miracles** that have occurred to ensure its preservation. **[Remember: Miracles are not always about healing. Sometimes they are about preservation of harm.]**

Dr. Orozco began his talk by confirming that the conservation of the Tilma, the cloak of St. Juan Diego on which Our Lady of Guadalupe appeared 478 years ago, "is completely beyond any scientific explanation."
